

Three day visit to UK DCTN co-ordinating centre for UK DCTN SpR Fellows

The UK DCTN co-ordinating centre is based within the Centre of Evidence Based Dermatology at The University of Nottingham's Kings Meadow Campus.

The key objectives of this three day visit are to:

-  Learn what goes into developing and running a clinical trial.
-  Develop critical appraisal skills and work on the trial development proposal.

The planned itinerary will include:

-  Overview of the Cochrane Skin Library.
-  Briefing session on 'How to get the most from the NLH Skin Disorders Specialist Library'.
-  Half a day spent with Professor Hywel Williams involving critical appraisal and feedback on the trial plan.
-  A grant application and funding tutorial with our Senior Trials Manager, Dr Joanne Chalmers
-  Time spent with various dermatology clinical trials managers including the UK DCTN PATCH Trial Manager, Dr Katharine Foster.
-  Developing the UK DCTN website
