

Two day visit to UK DCTN co-ordinating centre for the UK DCTN Nursing Prize

The UK DCTN co-ordinating centre is based within the Centre of Evidence Based Dermatology (CEBD) at The University of Nottingham Kings Meadow Campus (shown above).

The key objectives of this two day visit are to:

-  Learn more about what goes into developing and running a clinical trial.
-  Write an article relating to your experiences as a nurse working in research.

The planned itinerary will include:

-  A tour of CEBD to learn more about the different components which go into developing a clinical trial.
-  Time spent with various dermatology clinical trials managers including the UK DCTN PATCH Trial Manager, Dr Katharine Foster.
-  Developing the UK DCTN website with an area specifically for the nursing community.
-  Writing an article about your experiences for the journal 'Dermatological Nursing' and the UK DCTN newsletter.

For further information please contact the Network Manager Dr Carron Layfield on 0115 8468625 or carron.layfield@nottingham.ac.uk
